

## **My Homestead Life Community Cookbook**

Y'all- I am thrilled you want to be a part of this project.

What a great way to share our home recipes with others and spread the knowledge. Not to mention, this will be a perfect gift for the holidays!

It is my desire to have this book published by the holidays. Each person submitting a recipe will receive a free copy of the cookbook once published.

Looking forward to seeing what y'all cook up!

Blessings,

Amber B
